

**City of Smith Center
October 28, 2015
Special Meeting
1:00 pm**

The Smith Center City Council requested the Mayor call a special meeting to discuss the purchase of a Hamm combination roller/packer.

Present: Mayor Bryce Wiehl, Councilmen Dave Mace, Chris Cole, Jason Baetz, Adam Rentschler, Lynn Zierlein and Terri Jones.

Mayor Wiehl called the meeting to order.

Baetz explained his bidding process on Purple Wave, which was the site that the roller/packer was on. He explained that he had placed a bid and had also included a maximum bid. He stated the maximum bid did not show up on the site, therefore we were not the high bid on the piece of equipment. The buyer of the roller/packer, United Heavy Equipment, was contacted and offered to sell the roller for \$33,500.00 plus 10% fee.

After discussion, a motion was made by Baetz, seconded by Rentschler, to not purchase the roller/packer from United Heavy Equipment.

Motion by Rentschler, seconded by Zierlein to adjourn.
